Dear Mr Beekes,

I am writing to congratulate the Bendigo District RSL on recently receiving the Social Impact Award and also being named as a finalist in the Best Community Collaboration Award category at the Community Clubs Victoria annual awards night. I am pleased your service to the community has been rewarded – congratulations.

The time and dedication those at the Bendigo District RSL have given to help others is truly admirable and is proof of your commitment to our community. People such as you all epitomise the Australian spirit and contribute to making our community a great place to live.

We live in a wonderful part of the world and it is through the work of people like those at the Bendigo District RSL that our community continues to grow and prosper.

Once again congratulations.
